MUSICAL NOTES

It is rather amusing to hear the Wagnerite cranks talk about Pattl and singers of the FOUR YEARS OF SUFFERING REtheir grip " on public favor, and then observe the crowds which have jammed the big auditorium at the Madison Square Garden this week to hear the famous artist sing a builed

Musicians abroad are already beginning to scuss with Interest the new opera, " Faldaff," by Verdi, the first production of which promised for January next at La Scala, Milan. It will be the great musical event of the year, and its production will be superyesed by the venerable maestro in person Victor Maurel, the distinguished French bariione, who creates the role of lago in cotello." Verd's just opera, has been engaged to sing the title role. He is one of the inest actors on the French stage, and he will be given abundant opportunity to display his talent in the new opera.

Followers of the Wagner fad appear to find omfort In these days of declining popularity of the distinguished German composer in the fact that "Tannhauser" has been given a number of times during the past season at La Scala, and that Mine. Sembrich and Mine. Melba have recently added the role of Elsa sid In " Is hongrin" to their repertoire. It may be remarked that "Tannhauser" and "Lo- "Ar hengrin" have been popular works in the Italian repertorire for the past twenty years. Its. Met 16 and that it was Italian singers who first populets of good.

of the treatment of all chronic catach. They formed the reach of all chronic catach. They are within the reach of all chronic catach. ter, as is promised. New Yorkers will have an DOCTORS MCCOY AND WILDMAN, opportunity for the first time of hearing that opera sing, as they did in the case of the Offices, 5 East 42d Street, New York, "Meisterstager" last season. There seems to the year all curable cases are treated with success. If you live a distance write for symptom of any be a prevalent impression among these whose taste for the music of the future has been cultivated entirely under the German regime that Wagner intended his opera to be talked

City Office hours 3 to 11 A. M., 2 to 4 P. M., 7 to 9 P. M. Sundays, 9 to 12 A. M. and shorted instead of sung. This, however, is a mistake, which Wagner in his own day frequently endeavored to correct. He bewaited the fact that Italian singers would not fearn German, and shuddered when he heard the mess his own fellow country-men made of his Mrs. Young is the keeper of a restaurant on Insolved writings.

you'll take it, you have the remedy for woman's weakman's ailments. And you have it on remark-able terms Dr. Pierce's Favor-

Right in

Every everworked and "run-down" woman and every delicate and suffering woman, needs it. It builds up and invigorates the whole system, regulates and promotes the proper functions, and restores health and strength. It's purely vegetable, perfectly harmless, and made especially for woman's needs. In every disorder peculiar to the sex, periodical pains, weak back, bearing-down sonsations, and kindred allments, "Favorite Prescription" is guaranteed to benefit of cure, or you have your money back.

or cure, or you have your money back.

In natives of Australia tie the hands of their dead together and pull out their nails. This is for tear that the corpse may scratch its way out of the grave and become a wanner. The primitive line share a certificate of character in the dead person's lames, which is to be given to st. Peter at the gates of heaven.

Every everworked and woman and every delicate is quaranteed to help you, or it costs you nothing. If it weren't the most certain and effective remedy in the world, do you think it could be sold iff any such way!

Every everworked and "run-down"
